the Austrian armistice terms. The Democrats acclaim it as directly traceable to the commanding influence and announced principles of the President.

For a single day at least the march of America's civilian army to the polls tomorrow will overshadow in interest and momentary importance the operations of the armies on Europe's battlefields.

Final Statement of Democrats. The final publicity output of the

Democrats consisted of a statement "A continuance of the war of the ball by Mr. Cummings, a reply by Secremany's sole initiative, when she is all tary McAdoo to Chairman Fess and by Mr. Cummings, a reply by Secremany's sole initiative, when she is all ready responsible for four years of inconceivable horror, can not be tolerated. The time has come to force erated. The time has come to force erated.

erated. The time has come to force the issue by diplomatic as well as military means. Now that the main enemy is isolated hopelessly, but may be tempted to throw the helve after the hatchet and pay blindly for some supposed chance of better terms, the time has come to speak plainly to Germany.

"The allies and America must speak at last as masters They are the masters of the means of arbitration by land and sea and air and of all resources of fighting and supplies.

"To permit this war to continue for one avoidable day or hour would be a crime of weakness on the part of the example."

"The associates well nigh as culpable as the crimes of wickedness on the part of the example. Now either the thing must stop or the consequences must be made definitely worse for the enemy. Now either the thing must stop or the consequences must be made definitely worse for the enemy.

"There should be a specific penalty"

The time has come to force a free after the following the main that the mation is thoroughly aroused to the necessity of sustaining the President at this critical hour.

"I repeat that the people of England, France, Italy and Belgium would not hesitate, if asked, to give President Wilson a vote of confidence. I constitute that the people of America will not we desert him in this triumphant hour."

Secretary McAdoo in his letter to be appeal of Republican nominees in 1898. "I was a private citizen then living in his the consequences aroused to the necessity of sustaining the president Wilson a vote of confidence. I constitute the part of the example of the mation is thoroughly and the people of America will not well as the crime of weakness on the part of the example of the mation is the consequence of the mation is the provident wilson a vote of confidence. I constitute the part of the example of the mation is the provident wilson a vote of confidence. I constitute the part of the example of the mation is the provident wilson a vote of confidence of the mation is the provident wilson a vote of confidence of the enemy.

"There should be a specific penalty for every day which the struggle may be prolonged. All Germany must be made to know this.
"It is for the allies to declare that there never will be any abatement in the severity of their present terms, but for the rejection of these terms the new system in Germany, whatever it may be worth, will be held responsible from an assigned and near date.

"It is may be worth, will be held responsible from an assigned and near date and that Germany when overthrown and invaded as the result of the severity of the rejection of these terms and invaded as the result of the severity of the rejection of these terms then new system in Germany, whatever it may be worth, will be held responsible from an assigned and near date and that Germany when overthrown and invaded as the result of the severity of the responsibility.

"It is for the allies to declare that there never will be any abatement in the severity of their present terms, but for the rejection of these terms the new system in Germany, whatever it may be worth, will be held responsible from an assigned and near date in time of war the duty of the present terms.

The prolonged all Germany when overthrown and invaded as the result of the struggle port Republican nominees in 1898. "I structed the argual to the following to camp McClellan. Moltke Advised Kaiser War Was Lost at Marne

London, Nov. 4.—A series of sensational revelations were made by Maximilian Harden, editor of Die Zukunft, in a speech at Leipzig, reported by the Amsterdam correspondent of the Daily Mail. Harden is quoted as saying:
"Moltke in September, 1914, told
the Kaiser, after the result of the
first battle of the Marne:
"Majesty, the war is lost."

"Majesty, the war is lost."
"Moltke favored an immediate peace then, but he was overruled by the militarists, who were unable to see that the political situation was the reverse of Germany's military predominance. "Bethmann-Hollweg told the disgusted Prince Buelow at the beginning of the war:
"Bless you, Excellency, it will

beginning of the war:

"Bless you, Excellency, it will be a fierce storm, but it will be a short one."

"Again, in 1916, the Kaiser was advised the war was lost and to make peace, but Tirpitz, Zimmerman and Helfferich intervened."

Herr Harden urged in his speech that these three men be impeached. As he suggested this the great audience rose and yelled approval. yelled approval.

BRITISH AVIATORS PRAISED BY RULER

The success of the British airmen to which the King refers has been one of the most remarkable episodes in the battles on the Western front during the past week. All air records were broken and air fighting reached its zenith on October 30, when sixty-seven German machines were deseven German machines were de-stroyed and fifteen downed out of control. This extraordinary result was achieved with the loss of only eighteen British machines.

SHRAPNEL FAILS TO DENT TIN BOWLERS

Paris. Nov. 4.—The flat "tin hats" the Yanks wear in battle have saved many a life.

One field dressing station in the offensive around Vigneulles produced ample proof of the efficacy of the steel helmet. A soldier was brought in, unconscious, with a deep crease in his helmet directly over his nose. Apparently he had over his nose. Apparently he had been struck by a machine gun bullet and the wearer, though put to sleep for half an hour, was un-

Shortly afterwards another solwas brought in with an idendier was brought in with an iden-tical dent in the brim. This time it was schrappel and it had been deflected quite as effectively, except that a bit of skin had been nipped from the end of the soldier's nose
